

Kathmandu University High School

A Level Programme: Information for applicants

KUHS is offering a Science based A Level course for SEE (Class 10) Passed students. The A Levels from Cambridge International Examinations form, a rigorous pre-university course studied over two years. The examinations are offered twice a year i.e. in May and November, and are taken by students all over the world. Thus the students joining KUHS in 2017, will take the A Level examinations in the May session in 2019.

Subjects Offered: Mathematics, Physics, Chemistry, Biology, Computer Science, General Paper and English Language AS Level. All students take Mathematics and General Paper, or English Language AS Level. Students study five subjects. There are therefore two options available:

OPTION ONE	Mathematics, Physics, Chemistry, Biology , General Paper or English Language AS Level
OPTION TWO	Mathematics, Physics, Chemistry, Computer Science , General Paper or English Language AS Level

There is a formal day 2 assembly in school and on Wednesday Hostel Pastoral Duty

The senior students in KUHS [Class 11(A1) and Class 12(A2)] are looked upon as the leaders in the school, and are expected to take part in school activities, sport and social service. The 16-18 year old student is not just a person who studies all day long, but must also be tested in various ways outside the classroom. During these important two years, the student should develop more confidence, self-reliance and independence, and be able to function well as part of a group, as well as enhancing language and communication skills. Students also develop leadership skills by joining the student clubs occupying various official posts.
