Ashwin 27, 2069 ( 13<sup>th</sup> October, 2012) – Result Day

Ashwin 28, 2069 ( 14<sup>th</sup> October, 2012) – School Remains Closed

We apologize for the inconvenience caused.

### Joint School Literary Contest

On 2<sup>nd</sup> September, 2012, 29 students from our school went to participate in the Third Joint School Literary Contest which was organized by Rosebud School. The program started at 9.30am. There were a total number of 116 students participating in the program from four different schools which were KUHS, Rosebud School, St.Xavier's Jawalakhel and St.Xavier's Godavari. The program had different Literary Contests such as Panel Discussion, Extempore Speech, Nepali poem recitation, English poem recitation, Paper presentation and many more. The program focused mostly on innovative learning and the use of technology in education. The program lasted till 3.30 pm. The program itself was exciting and all of us had a good time there. This program has helped in developing our speaking, Writing and Reading skills and we hope that this type of programs will be conducted in the future as it helps in building the good relationship between the partner schools.

### YCT Examination

At present, Chinese language is being taught in many of the schools inside and outside Nepal. Likewise, Chinese is also taught in our school since many years back. They organize various tests every year and we attend that. We were the participants of that Chinese test too. We were guided by our Chinese teacher Zhang Xiaxia in the examination hall ULCL on 25<sup>th</sup> August, 2012. There were 16 students to participate in the test. Three of us were for level 2 whereas rest for level 1. There were altogether 3 shifts for attending exams with each shift of 45 minutes. The exam comprised of two categories, Listening and Reading. Both of them carried 100 marks. After the test was over, we departed at 11.15am from the examination hall ULCL to our home. Overall we had a great experience in YCT.

### Visit to S.O.S

On the 5<sup>th</sup> September, 2012, we the students of class IV and V went to SOS School, Panauti with Mohan Tajuale and Ram Chandra Thapa Sir. We went there after lunch and when we reached there we were surprised to see wonderful classrooms and school. The school was decorated and we visited

every class rooms. We performed group dance and single dance and made new friends. They were kind and friendly. They also performed dance and shared jokes. After sometime we came back to the school. We would like to thank to KUHS administration by organizing such programme.

### **School representative Media Training [SRMT]**

We went for school representative media training (SRMT) produced by Today's Youth Asia for last 2 months on every Saturday, 15<sup>th</sup> August to 1<sup>st</sup> September. Many television shows, competitions and trainings are being organized by Today's Youth Asia and among them SRMT is the one. As its name suggests it was media training. Not only that, it was training for our overall personality development and developing the skills that we have. We learned about club formation, preparing wall magazines, presenting ourselves in television and stage, making posters and many more. We also had many great persons in our show who taught us Writing and the things that is needed to achieve our goals. We had public speaking and extempore trainings as well. By the time we completed this training, we enhanced our public speaking skill and make it well. We come to know a lot on many issues. So, for this opportunity we are thankful to our respected Principal, English Department and Narad Rijal as it was beneficial for enhancing our personality which is important throughout our life.

### **Inter-School Short Story & Essay writing contest**

On Wednesday 5<sup>th</sup> September, 2012, we four students including Aarati Thapa[7], Umang Raj Shrestha[9], Shreya Taujale[9] and Aayush Gautam[10] with Prakash Koirala Sir moved on the St. Xavier's' School, Jawalakhel with our snacks and equipments packed in our backpacks. We reached there early at twelve before the scheduled time and thus, we had to wait near the gates. It was only moments before the monotonous environment bored us. Then finally, we were signaled to move on to the school Library for the writing programme. As we proceeded on our way, the vast infrastructure soon overcrowded us. We began to search every nook and corner and after some time we reached our destination. There, we started on our writing. The time allocated was one and half hour and within that time, we had submitted our stories and essays. We were pre informed that many schools were taking part and our school was the first to finish. As soon as we got out of the well-facilitated Library, we were recalled by our teacher. Then we moved on to the exit area when the bell rang and hundreds of students' rushed out of the building. We were accompanied by the unfathomable noise of the school area. In this way, we completed our programme being well-supported and cooperated by the staffs and teachers. On behalf of the participants, I would like to gratefully thank the school committee and the organizer for providing us with this wonderful opportunity to participate in this fruitful and skill-developing programme.

### **My experience with new friends**

Students' Exchange programme was held on 27<sup>th</sup> August and it ended on 31<sup>st</sup> August, 2012. Our 18 students went to other 3 different schools: SXG, SXJ and Rosebud School. I had a great experience with them in sharing and learning process. They were very friendly and helpful towards us. We have learnt many things from them and I hope they had also learnt from us.

They were very pleased to see our school's surrounding. They liked it very much. Rules and regulations of our school is completely different for them. I enjoyed a lot with new friends. The most memorable part with my new friends was a trip to Namobuddha. We had a great fun there. I hope that the relationship between these four schools will last forever. And hope this kind of programme will be organized in future too.

### **My experience in St. Xavier's Jawalakhel**

I have a great experience in St. Xavier's School. I felt very happy being at St. Xavier's' School and had a beautiful experience. It is a very strict school at the same time friendly teachers. I enjoyed a lot with new friends and new environment. I would like to thank school administration to give this opportunity to me.
